2004 CPT Coding Change Recommendations

These recommendations for 2004 coding changes, additions and revisions to our recommended codes are based on information in the 2004 CPT and HCFA instructions. All coding recommendations are subject to change at any time. It is the client's responsibility to verify the accuracy of the codes and to assign values based on the reimbursement for your area. If you have any questions, please refer to the Current Procedural Terminology (CPT) Manual published by the American Medical Association. To verify reimbursement or if you have questions regarding usage of a CPT code, please contact your local Medicare carrier.
